6 novmber to 1 January

this list shows Royal Saudi Airforce Close Air Support to yemen army and resistance  
in marib and the west costal line (shabwah starting from january first and albidah from january 12)

data was collected from the the official account of Saudi press agency

there might be some mistakes this is not an official list I just made it for fun

green means data shown includes all days in green

In total from the start of marib battle
